

# PLEASE READ

## UPDATE FOR ALL VISITORS

March 16, 2020

Due to ever-changing recommendations from our health care professionals and government, Atlantic Baptist Housing is requesting that **ALL non-essential visits** cease until further notice. Limiting traffic into our facilities is a responsible and preventative measure to help reduce risks to our tenants and communities.

This is a trying time for all of us, but with everyone working together, it will positively impact and reduce the severity COVID-19 has on our provincial medical systems. Frequent phone calls to friends and loved ones is an alternative to personally visiting during this time. We do recognize some visits are required (i.e. delivering groceries, supplies etc.) but are asking everyone one be mindful of their own health conditions and if you have been out of the country please wait 14 days, and are symptom free, before considering visiting. Recommendations are constantly changing and notices will be posted accordingly.

Thank you for your cooperation with this request and keep washing those hands.

Sincerely

Mark Cameron  
COO for Atlantic Baptist Housing
